

PRESS RELEASE

2024/2025 PROVISIONALLY APPROVED LOAN LIST

KAMUZU UNIVERSITY OF HEALTH SCIENCES (KUHES)

The Higher Education Students' Loans and Grants Board (HESLGB) is pleased to announce to all accredited higher education institutions, continuing and newly selected students in accredited higher education institutions, parents/guardians, and the general public that on 30th September, 2024, the Board approved a provisional list of loans for higher education students for the 2024/2025 academic year. The successful applicants will be subjected to a Vetting and Bonding process which is jointly carried out by the Board and respective University/College administrators.

HESLGB received a total of 2268 loan applications from Kamuzu University of Health Sciences (KUHES). Upon rigorous assessment of the loan applications, 2214 applicants met the eligibility criteria.

The Board would like to make a special appeal to all its stakeholders and the general public to provide feedback on the provisionally approved names directly to the Secretariat of the Board or through the offices of Registrars or Deans of Students of each respective higher education institution, in case there are individual students who are on the provisionally approved list but are not needy. This information will help in effective targeting of really needy and deserving students and contribute to reducing the error of including non-needy and undeserving students on the list of beneficiaries.

Names of all provisionally approved beneficiaries can be accessed from 2nd October, 2024 through the offices of Registrars or Deans of Students in the respective higher education institutions and on the HESLGB website (<https://www.heslgb.mw>). College Administrators are encouraged to paste on the notice boards in their respective institutions the provisionally approved list for the students and the public to access.

For further information, please contact us during working hours and we will be glad to assist you.

Sam Kakhobwe
Chairperson – Higher Education Students Loans and Grants Board
